This approval is issued to:

Toronto Sky Aviation Inc.
30 Rayette Rd.
Concord, Ontario
Canada L4K 2G3

Number: O-RAP99-097

Issue No.: 5

Approval Date: July 15, 1999

Issue Date: November 24, 2015

Responsible Office:

Ontario

Aircraft/Engine Type or Model:

Appliance MOD/REPAIR

Registration/Serial No.:

Canadian Type Certificate or Equivalent:

(Appliance MOD/REPAIR)

Description of Type Design Change:

Multiple Repairs to Aircraft Component / Appliance Items

**Installation/Operating Data,
Required Equipment and Limitations:**

Repairs must be performed in accordance with Component Rewind Manuals (CRM) identified in Toronto Sky Aviation Inc. (TSA) Eligibility Listings No. TSA-011, dated 14 July 1999, or later Transport Canada approved revisions.

Final assembly testing and installation of the repaired components must be performed in accordance with the existing OEM maintenance instructions.

-- END --

Conditions: This approval is only applicable to the type/model of aeronautical product specified therein. Prior to incorporating this repair, the installer shall establish that the interrelationship between this repair and any other modification(s) incorporated **will not** adversely affect the airworthiness of the modified product.
