**Civil Aviation Bureau, Ministry of Land, Infrastructure, Transport and Tourism of
Japan Supplement Approval (JCAB) in accordance with the Technical Arrangement
for Maintenance**

Dear Mr. Truman,

Following review of the elements contained in the JCAB supplement to your organization's approved Maintenance Policy Manual (MPM), and in accordance with the current Technical Arrangement for Maintenance between Transport Canada Civil Aviation (TCCA) and the JCAB, TCCA hereby confirms the initial approval of the JCAB supplement for the performance of maintenance on civilian aeronautical components under the regulatory control of JCAB.

The maintenance of the civilian aeronautical components under the regulatory control of JCAB will not exceed the organization's CAR 573 AMO certificate scope of ratings and limitations.

Your JCAB supplement dated 2022-06-01 at Revision A, is hereby approved and is valid until 2024-06-16.

You are reminded that you will be required to submit your next application for continuance 60 days prior to the expiry date and in accordance with the TA-M which is available on the Transport Canada website at:
